

NOTICE OF GRANT AVAILABILITY

NAME OF GRANT PROGRAM:

NEW JERSEY COMMISSION ON SPINAL CORD RESEARCH

Five-Year Named Chair for Senior & Junior Faculty

STATUTORY AUTHORITY:

NJCSCR Fund Chapter 201 P.L. 1999 NJSA 52:9E-1

GRANT PROGRAM NO. 07A-SCR-4

TYPE OF AWARDS TO BE ISSUED:

Cost-Reimbursement Grants

PURPOSE FOR WHICH THE GRANT PROGRAM FUNDS WILL BE USED:

The NJCSCR will fund grants totaling \$1,000,000 for a single senior faculty and \$600,000 for a single junior faculty for a Five-Year Named Chair for Senior and Junior Faculty to facilitate the recruitment of highly qualified out-of-state scientists to establish new spinal cord injury laboratories in New Jersey. The NJCSCR will also consider applications from in-State scientists in other fields proposing to shift their focus and establish new spinal cord injury laboratories in New Jersey. All qualifying institutions in the State of New Jersey may apply. The qualifying institution must provide evidence of support such as appropriate laboratory facilities and the commitment of financial support necessary to sustain the research for a minimum of five years. A qualifying research institution may not apply for both a "One-Time Start-Up Cost" grant and a "Five-Year Named Chair for Senior and Junior Faculty" grant using the same faculty member in the same grant year. A applicant holding one of these positions will be called "New Jersey Professor of Spinal Cord Research."

AMOUNT OF MONEY IN THE GRANT PROGRAM:

Grants will total \$1,000,000 for a single senior faculty and \$600,000 for a single junior faculty (includes direct and indirect costs, a maximum of 10% may be applied to indirect costs). Successful candidates also will receive \$100,000 and \$50,000 respectively in start-up costs. Awards will begin on or about June 15, 2007. The NJCSCR reserves the right to distribute funds among the grants in this program 07A-SCR-4 as well as among the NJCSCR's other grant programs 07A-SCR-1, 07A-SCR-3, 07A-SCR-5. The NJCSCR reserves the right not to fund any grants in this program 07A-SCR-4 to the maximum amount, or not to fund any grant in this program at all. Between \$2,000,000 and \$4,000,000 should be available for all four grant programs (07A-SCR-1, 07A-SCR-3, 07A-SCR-4, 07A-SCR-5). Funding estimates may vary, and are subject to annual appropriations. Any change either in awardee or the research focus on spinal cord injury will result in the revocation of the award and the return of all funds on a prorated basis. Annual funding within the five-year period will be contingent upon the availability of funds and the submission of an annual Narrative Report that is favorably reviewed by an independent scientific merit review panel. The panel's continuation recommendations will be made to the NJCSCR for funding approval. Project periods may not exceed five years. An Evaluation Form must be submitted to the NJCSCR office each year for two years following termination of a Five-Year Named Chair grant.

ELIGIBLE APPLICANTS MUST COMPLY WITH THE FOLLOWING REQUIREMENTS:

1. Terms and Conditions for the Administration of Grants
2. General and specific Grant Compliance requirements issued by the Granting Agency.
3. Applicable Federal Cost Principles relating to the Applicant

GROUP OR ENTITIES WHICH MAY APPLY FOR THE GRANT PROGRAM:

All qualifying institutions in the State of New Jersey may apply for Five-Year Named Chair for Senior and Junior Faculty grants under this program. A qualifying institution is defined as any academic institution, research organization, public or private institution or other entity, located in the State of New Jersey, with demonstrated capability to conduct grant funded research, and specifically approved by the vote of the Commission, but in no case can an individual be a qualifying research institution.

QUALIFICATIONS NEEDED BY APPLICANT TO BE CONSIDERED FOR A GRANT:

A Senior Faculty candidate will have a Ph.D. and/or M.D., an outstanding record of excellence and achievement in areas relevant to spinal cord injury research, high quality publications, a national/international reputation, demonstrated leadership capabilities, evidence of sustained success in competitive science funding, and a commitment to the development of practical therapies. Experienced researchers in other fields moving to spinal cord research also will be considered.

A Junior Faculty candidate will have a Ph.D. and/or M.D., appropriate postdoctoral experience in a well-established research facility, and confidential recommendations from the director and senior leaders of their present research setting.

Outside references will enhance the application. Applications are evaluated based upon evidence provided by the qualifying institution that the proposed candidate has accepted a position and that appropriate research facilities are available or will be provided by the start date of this award.

APPLICATION PROCEDURES:

Applications and NJCSCR Research Guidelines governing grants are available from the NJCSCR office, or can be downloaded from the website at www.state.nj.us/health/spinalcord/. Review and the awarding of grants will occur once a year.

FOR INFORMATION CONTACT:

New Jersey Commission on Spinal Cord Research
Department of Health and Senior Services
PO Box 360
Trenton, New Jersey 08625

TELEPHONE: 609-292-4055
FAX: 609-943-4213
E-MAIL: NJCSCR@doh.state.nj.us

DEADLINE BY WHICH APPLICATIONS MUST BE SUBMITTED:

Letter of Intent – November 1, 2006

Applications must be received in the NJCSCR office by December 8, 2006, between the hours of 8AM and 5PM.
(NO EXCEPTIONS WILL BE MADE)

DATE BY WHICH APPLICANT SHALL BE NOTIFIED WHETHER THEY WILL RECEIVE FUNDS:

Notification – May 30, 2007
